CMS does **NOT** supply Planners as all staff members post assignments on Google Classroom. We will have markers and colored pencils, scissors, and rulers available for in-school use. **Students will need a separate set for home use.** Students should also have a water bottle for daily use, tennis shoes for PE days (Mondays/Thursdays), and a smock (old, oversized button up shirt works great) for art/science classes. Students are encouraged to bring a beach towel or blanket for outdoor lunch/classroom use. **If you are purchasing additional locker shelving, our lockers are 12 inches wide by 14 inches deep.**
